

# CREDIT CHECKS COPILOT

## RESIDENTIAL ACCOUNTS

### 1st Credit Check

After the first credit check is run, the address details, on the Qualification page, are locked

### 2nd Credit Check

After the second credit check is run for a different household member, the Qualification page details are all completely locked. You are able to choose which credit check/customer to proceed with.

### 3rd Credit Check

If you attempt to run a third credit check an error message will appear and a Credit Check Assistance Case will be created.
